Indexed in: EMBASE/Excerpta Medica, Current Contents/Clinical Medicine, Medline (Index Medicus), Pascal/INIST-CNRS, Research Alert, SCI-Search, SCOPUS®

Editorial

Technical

- Renal artery denervation for the treatment of resistant hypertension. Update after Medtronic announcement that its Symplicity HTN3 study failed to meet its primary efficacy end point
M. Sapoval and M. Azizi 353

Reviews

Breast imaging

- Organized breast screening: Answers to recurring controversies
L. Ceugnart, M. Deghaye, P. Vennin, S. Haber and S. Taieb 355

Thoracic imaging

- Multiple lung parenchymal abnormalities: Don't panic, let's be pragmatic! The 6 question rule – a checklist strategy
M. Baqué-Juston, L. Mondot, S. Leroy and B. Padovani 361

Neuroradiology

- Early-onset dementias: Specific etiologies and contribution of MRI
C. Quach, C. Hommet, K. Mondon, M.A. Lauvin, X. Cazals and J.P. Cottier 377

Iconographic review

Thoracic imaging

- Imaging of lung transplant complications
C. Hemmert, M. Ohana, M.-Y. Jeung, A. Labani, A. Dhar, R. Kessler and C. Roy 399

Original articles

Pediatric imaging

- The use of computed tomography and nuclear medicine examinations in paediatric oncology: An analysis of practice in a university hospital
C. Vallin, P. Blouin, Y. Venel, L. Maurin and D. Sirinelli 411

Cardiovascular imaging

- Carotid artery stenting: Influence of experience and cerebrovascular risk factors on outcome
G. Carrafiello, M.L. De Lodovici, G. Piffaretti, N. Rivolta, A.M. Ierardi, M. Petrillo, A. Facchinetti, F. Carimati, E.P. Verrengia, M. Mauri and D. Tsetis 421

Gastrointestinal imaging

- Medico-economic study of the management of hepatocellular carcinoma by chemo-embolization
J. Clouet, D. Audureau, B. Lefranc, N. Maillard, R. Guilé, E. Frampas, C. Perret and G. Grimandi . . . 427

Breast imaging

- A single-institution study of 117 pregnancy-associated breast cancers (PABC): Presentation, imaging, clinicopathological data and outcome
A. Langer, M. Mohallem, D. Stevens, R. Rouzier, F. Lerebours and P. Chérel 435

Letters**Neuroradiologie**

- Spontaneous cervical artery dissection: Role of a SE-T1-weighted fat-sat volume acquisition
D. Bissere, A. Khalil, P. Favrole, M.-F. Carette and B. Marro 443

Cardiovascular imaging

- Aneurysms of the sinus of Valsalva revealed by an acute coronary syndrome
M. Urdulashvili, L. Bière, C. Baufreton, C. Nedelcu, A. Bouvier, W. Abi-khalil, F. Thouveny, C. Aubé and S. Willoteaux 447

Musculoskeletal imaging

- Primary synovial osteochondromatosis of the first interphalangeal joint of the foot: A case report
N. Brucher, M. Faruch-Bilfeld, F. Molinier, A. Brouchet-Gomez, F. Lapegue and N. Sans 451

Gastrointestinal imaging

- A rare pediatric case of pancreatic tuberculosis with venous thrombosis
F.Z. Laamrani and R. Dafiri 455

E-quid: Answer**Musculoskeletal imaging**

- Paravertebral extramedullary hematopoiesis
C. Delavaud, J. Lincot, M.-P. Debray, E. Schouman-Claeys and B. Dallaudière 457

E-quid: Question**Musculoskeletal imaging**

- Left lumbar cruralgia in a 57-year-old man
S. Djebbar, J. Manelfe, P. Meyer, P. Copin, E. Desportes, M. Gomes, E. Souverain, A. Nataf and B. Dallaudière 461

Gastrointestinal imaging

- A rare cause of abdominal pain
L. Colleter, O. Corcos, V. Vilgrain and M. Ronot 463
